Introducing The V Awards

We are proud to launch the first micebook Virtual & Hybrid Awards recognising the best in class virtual and hybrid events delivered in 2020.

It has been an incredibly difficult year for the events industry. Despite the challenges we faced we were still in the thick of it! Corporate and agency event professionals were still able to serve their clients' communication, motivation and educational needs by providing creativity, technology and engagement.

Location

Nobu Portman Square, London.
